

3-STORY TRAINING

Tell your friends about your relationship with Jesus over a glass of sweet tea without having them think you're weird! This training session

will help you learn to be conversational (and patient) all along the process of sharing your faith.

If you're uncomfortable sharing your faith or think you have nothing to share, this training is for you!

Students who complete 3-Story training are eligible to participate on the Navigation Team

Wednesdays – September 1-October 20

7-8:30PM
